

**APK Developments, LLC™**

**Preset CO2 Regulator**

Model 310

\_\_ 75 PSI \_\_ 100 PSI \_\_ 125 PSI

1/8" NPT Inlet

Specs:  
1.25" Dia.  
2.75" Length  
1/4" O.D. Tube Outlet

**FEATURES**

- Easy to use - preset pressure requires no adjustment.
  - Inlet filter extends regulator life.
  - Internal safety relief vent protects against over-pressurization.
- SAFETY PRECAUTIONS**
- Compressed gas cylinders must be handled with care.
  - Ensure cylinders are not subject to ambient temperatures above 125F (51.7C).
  - Cylinders should only be filled by an authorized individual in accordance with CGA, DOT, and other safety guidelines.
  - NEVER attempt to repair or modify the CO2 regulator.
  - Ensure cylinder is mounted with the outlet above the body of the cylinder. This prevents liquid CO2 from entering the regulator, which can damage the regulator or cause faulty operation.
  - Use only high pressure rated connections between CO2 tank and regulator inlet.

## Terms and Conditions

**30 Day Money-Back Guarantee** - If for any reason you are not completely satisfied with your purchase, you may return it for a refund. APK Developments, LLC will refund the purchase price of the product, excluding shipping/handling costs, once the product is received. This refund does not apply if the product has been altered or damaged.

**24 Month Limited Warranty** - APK Developments, LLC warrants the products it manufactures against defects in materials and workmanship for a period of 24 months from the original purchase date. If you discover a defect, APK Developments, LLC will, at its option, repair or replace the product. Products shall be returned to APK Developments, LLC freight prepaid. After 24 months, products can still be sent in for repair, but there will be a \$10.00 USD minimum inspection/labor/repair fee (not including return shipping and handling charges).

**Waiver Of Liability And Indemnification Agreement** - The products offered by APK Developments, LLC are intended for racing use only. Purchaser understands and recognizes that the products sold by APK Developments, LLC are subject to many and varied conditions due to the manner in which they are to be installed and used. It is the purchaser's responsibility to determine the suitability of the products sold by APK Developments, LLC for his or her application. Purchaser agrees to indemnify and hold APK Developments, LLC harmless from any loss, damage, injury, cost of repair, incidental or consequential damages of any kind in connection with the sale or use of any product purchased from APK Developments, LLC. If this agreement is unacceptable to the purchaser, the purchaser will immediately return in new condition, all the products listed on the invoice to APK Developments, LLC for refund of the purchase price. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
